

FREE COVID-19 TESTING AVAILABLE

From the Florida Department of Health (FDOH)

Nassau County Health Department

Drive-through/walk-up diagnostic testing available for everyone. Please bring some form of identification. Testing is available on a first come first serve basis. Up to 50 tests available at each site. We do not currently offer antibody testing.

All events are scheduled to start at 9:30am and end at 11:30am. In the event of rain, the status of the event will be announced via Nassau EM Facebook page at least 30 minutes prior to the start or participants can call FDOH Nassau at 904.875.6100 to verify.
