Who are we?

Mission

to mobilize community partners to establish long-lasting system and policy changes that promote tobacco-free social norms in order to prevent use of tobacco products, encourage and support tobacco cessation with a focus on preventing the initiation of tobacco use by youth/young adults, eliminate health hazards of secondhand smoke exposure and decrease the number of deaths related to tobacco use.

What are our priorities?

- Increase access to tobacco cessation in rural areas by building collaborative relationships
 - Quit Your Way
 - Smoke-free work places

What are our priorities?

- Policy Change
 - Tobacco Retail License
 - Smoke-Free Events & Spaces
 - Florida Fair
 - Other Events

TFN Member: Amy Pipkin

What are our priorities?

- Education & Advocacy
 - Vaping Education
 - S.W.A.T.
 - Students Working Against Tobacco

Vaping Epidemic

Vaping in Florida

In 2018, about 25% of Florida high school students reported current use of electronic vaping – a 58% increase compared to 2017.^[3] Meanwhile, only about 4% of adults in Florida were using e-cigarettes.^[4]
